Thanks for the Memories

Editor - - - - - Arlene Honeycutt
Assistant Editor - - - - - Walter Martin

As one year fades away and the next begins, another class has graduated. But will high school days be forgotten and left behind?

The 1959 Dragon was printed in order that we may always be able to look back and recollect the happy, carefree, and yet busy hours we have spent in F.R.H.S.; to see at a glance our classmates, friends, and teachers, and to keep in our hearts the many fond memories of days gone by.

We hope that each and every one greatly enjoys the book. May it always remind you of moments you wish to remember.

Best Wishes
